PROFESSIONAL SUMMARY

AI & ML Engineer | Full Stack Developer | I am currently pursuing a Bachelor of Computer Applications (BCA) from Birla College, Kalyan, with a Minor in Artificial Intelligence from IIT Ropar. My expertise lies in AI and machine learning, with practical experience gained through internships at companies like Embrizon Technologies, Codtech IT Solutions, and COSMIC365.ai. I also have experience as a partial full stack developer, working on both front-end and back-end web development projects. I am passionate about integrating AI into real-world applications and continually enhancing my skills in cutting-edge technologies.
